

ART NETWORK MEETING

For all Art Teachers and interested
Classroom Teachers.

PAINT MEDIUMS and TECHNIQUES

Presented by

JACKSONS ART SUPPLIES

We invite all art teachers and interested classroom teachers to a PD taster exploring different paint mediums and techniques. You might like to bring with you a sample of painting techniques you have used plus a teaching brief to accompany it so that at the end of the lesson we can each leave with some new ideas.

WHERE & WHEN

To cater for as many teachers as possible the PD is going to be held in four different locations during Week 2 of Term 3. All you need to do is choose the location closest to you, reply by the given date to the appropriate host and attend with your art examples to share.

A delicious afternoon tea will be provided.

Cost Art Ed Members – No cost Non Members - \$5.00

NB: Membership forms are available at each session if you wish to join on the day.
