

Professional Teachers Council of WA (PTCWA) – Genevieve Baker/Rosie O’Keefe

This organisation represents all teachers and looks at curriculum values, national initiatives, the ‘big picture’ of education.

Some important features of PTCWA that have benefited ArtEd members are:
The PTCWA Calendar, an advertising initiative of PTCWA .The calendar records events that the associations would like publicised each semester then it is disseminated to schools for their teaching staff.

Another initiative of PCTWA is the Distinguished Teacher Awards Ceremony that is held towards the end of the school year. Our 2008 candidate was Digby DeBruin and in 2009 our very own Gen Baker who has given much to our association over many years. We need to start our considerations as to whom we will nominate for 2010.

Rosie O’Keefe and Gen Baker represented us in 2009 and
Gen and Rosie would like to nominate to go on the committee again this year.
The first PTCWA meeting will be Tuesday 4.30 pm at Mt Lawley High School
